HONGKONG, FEBRUARY 22ND, 1894.

THE announcement made recently by Shanghai contemporary to the effect that an arrangement had been arrived at between Russia and China in relation to the Pamir down to the port, the Customs well-trained second had been so a but had broken back, so question, whereby the latter Power had agreed to abandon her claim to the Pamirs and practically give Bussis a free hand in that region, was evidently premature. Reuter's despatch published in another column called for the 10th proximo at Singapore to con- and b haved admirably. The next day I left makes this sufficiently evident. A serious sider a proposed alteration in the articles of as Lamber for Bota, and was there informed that hitch is now reported to have occurred in tion is to enable the company to reduce its capital and that Mr. Groy had drawn it, but had met the negotiations between the two Powers on by paying back capital if that should be decrued with no success. During the month five tigers this question, and it is considered improbable that a satisfactory conclusion will be arrived has been found that this can only be done by at. As corroboration of this report it is effecting an alteration in the articles of associaclear that there is a good deal of preparation. ammunition from the Governor of Chinese native correspondent in Peking stating a large body of drilled troops composed of Kansuh men aud about five hundred Kirghis. all completely armed with the newest weatroops have been recently completely armed wet to come. with the new weapons sout just a year ago. HANKOW, Sth February. On the evening of the 7th inst. one of the oldest and most familiar foreign buildings in Hankow was destroyed by fire namely the Old Consulate, which steed by the river side adjacent to the present English Consulate. Although unce the pride of Hankow, it bue for many years been little better than a rule, which its owners -- A-Russian frm, rentel out to a number of natives ongoged in making the bamboo backets which are so largely required for the export of brick tea. These basket men while enjoying themselves in China New Year feelion contrived to upast a lamp, with the result that the loase, being oranmed full of the best burning material imaginable, was in a few minutes wrapped in an immense sheet of flames which lighted up the whole of the Concession, and right. over to Wuchang. This brought the natives fon the so-ne in their thousands, while a strong party from H.M.S. Daphne and the Hankow Bre brigade were equally prompt in putting in an apbuildings, so efforts were mainly directed to lso-lating the fire. The tes factory on the one side, and the English Cousulate on the other, seemed to be in considerable danger for a time. A strong north wind was carrying the sparks high up in the air, and lotting them fall in a catch. In about a comple of hours the fire had exhausted itself and the many streams of water

NOWDNSALE WITH THE POSTI AND MANDARIS

PROSUNCIATION An Anglo-Chinese Dictionary, published at the and vacant spaces which have heretofore charac-

ferised Chinese publications. 'Lo illustrate the vast scope of the work the following facts are submitted for sonsideration: Chalmers Vocabulary contains about 16,000 Chinese characters and Medharsts English and Chinese Dictionary about 100,000 whilst Kanen in (1) 1 and it 613 Frignit Feb. this work conte is more than 50,000 English words and nows is of 600,000 Chinese charge | Kwingchi Chinese the 111 Rigle | Feb ters. Acain, del pite all the grammars and other elementary works as yet published, the Leg-voon, Chinasa str., 731, Unwford, Feb. 14, student of this difficult lauguage absolutely to Chinese Government quires examples to display the various appli Yards British back, 610. Wittmus. cations and equivalents of different words which have one general meaning. Of these examples Meefon Thinesa ste. [333 Stewart Jin. 2] this work contains more than five times many as any other Dictionary hitheric pub-

For practical purposes the arrangement the work is so complete, that a reference to its pages enables a person who understands English to communicate effectively with natives who understand nothing but Chinese. In this respec the work will be found indepensable to all Europeans residing in China, and to the natives themselves it explains subjects fully with which vory few indeed of them are perfectly acquainted. To parties resident in England and interested Thing it cannot but be invaluable occasion. It comprises apwards of two thousand large
